## The American Monthly Review of Reviews.

EDITED BY ALBERT SHAW.

The expanded title that now appears on the cover of the **REVIEW OF REVIEWS** implies not the slightest degree of change in the plans, methods, aims, scope, editorship, management, or control of the magazine. It will continue to be a **REVIEW OF REVIEWS**; and our regular readers are aware that it has long been a distinctively **AMERICAN MONTHLY**, without being devoted exclusively to American topics. It will continue to be international in its range of observation.

The following paragraph from *The Outlook* gives the gist of what has recently appeared from hundreds of editors *a propos* of the change in title from simple "**REVIEW OF REVIEWS**":

"It is an excellent name, and we congratulate *The American Monthly*, which is one of the most highly valued of our contemporaries, upon its selection. We know of no review published, in this country or in Europe, which combines so successfully as *The American Monthly* the alertness, timeliness, and energy of journalism with the sound judgment, carefully weighed opinion, exact knowledge, and well-chosen English of the purely literary periodical."—*The Outlook*.

Observe good faith and justice toward all nations, and cultivate peace and harmony with all; religion and morality enjoin this conduct, and can it be that good policy does not equally enjoin it? It will be worthy of a free, enlightened, and at no distant period, a great nation, to give to mankind the magnanimous and the novel example of a people always guided by unexcelled justice and benevolence.—*George Washington*.
